SIGNIFICANCE OF KOTILINGAMS

Kotilingams (Ten million) indicate the omni presence of Lord Shiva the father of universe. He is represented in an egg shaped stones symbolic of Cosmic Egg from which all universes emanated.

Bana Lingams are the special stones from Narmada river in Omkareswar and they are considered to be Swayambhu (Self Manifest) Shiva Saligramams. Because of their unique mineral content, these Bana Lingams emit positive energy.

ICCT Memphis is undertaking an awesome project to install 10 million Bana Lingams of various sizes over a three-dimensional Srichakra of 400'ft square and 100'ft height, also known

as Kailasa Prastharam in Srividya literature. At the top of Srichakra (Bindu) sits a 15'ft vigraha of Maha Kameswari and Maha Kameswara in sitting posture, made out of gold-plated bronze.

This unique concept enhances the emission of positive energy from Bana Lingams combined with vibrations of Srichakra.

Once established, this will be the only place in world with unique vibrant Srichakra adorned with 10 million Shiva Lingams drawing pilgrims and visitors from all around the world.

These vibrations will bring auspiciousness to not only Memphis and North America but to the entire world.

Sponsor Benefits

According to Shiva Puranam, Consecration of a Shiva Lingam will erase countless number of sins from numerous past lives of the devotee. The great epic Ramayana tells us, Lord Rama installed 10 million Shiva Lingams all over India to get rid of his Brahmahatya Patakam (Great sin of killing a Brahmagani – Ravana).

The donor has a unique opportunity to install Shiva Lingams

with their own hands and erase negative karma from many of their past lives. Due to the Grace of Lord Shiva and mother Parvathi their life will become auspicious and they will be part of a historic event.

The names of the donors who contribute \$10K and above will be engraved on the base of their chosen Shiva Lingam.
